3. Identify at least 4 common side effects unique to each mood stabilizer
4. Recall monitoring parameters associated with mood stabilizers
5. Discuss pregnancy considerations with mood stabilizers

This program is approved for one hour of credit (0.1 CEU). The St. Jude Children's Research Hospital Department of Pharmacy and Pharmaceutical Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. All activities are offered without external financial support or funds. The program number for this activity is **0181-9999-24-022-L01-P**. There is no charge to program participants unless explicitly stated. Pharmacy continuing education credit will be available to all participants who attend as well as complete a program evaluation and assessment.

Credits will be uploaded and viewable on-line at [www.napb.net](http://www.napb.net) within approximately two weeks following the date of the presentation. For questions or if CE credits do not appear on your NABP profile within 4 weeks of the program, please contact the CPE staff ([PharmEDU@stjude.org](mailto:PharmEDU@stjude.org)).
