St. Jude Children's Research  
Hospital, Memphis, TN*

**This program is offered by the Department of Pharmacy and Pharmaceutical Sciences in joint providership with the Children's Oncology Group (COG)**

#### **THIS CONTINUING EDUCATION PROGRAM WILL BE PRESENTED ONCE**

**WHEN: Monday April 7<sup>th</sup>, 2025, from 10:00 am – 11:00 am (EST, GMT -5:00)**

**WHERE: Virtually (link provided by COG)**

**Activity Type:** Application Based (1 hr/0.1CEU)

**Target Audience:** Pharmacists

#### **Learning Objectives:**

At the end of this session, attendees will be able to:

1. Discuss fee scheduling set up at various investigational drug services practice sites especially given the budgetary constraints of consortium trials
2. Discuss processes for study start-up and new patient starts
3. Review the implications of adopting electronic accountability platforms and the impact it has on daily operations
4. Characterize different electronic health records (EHR) and how drug build impacts study start up
5. Compare the process for Investigational Drug Service drug transfers across different practice sites

The St. Jude Children's Research Hospital Department of Pharmacy and Pharmaceutical Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. All activities are offered at no cost to participants due to external financial support (grants obtained by the COG foundation). The program number for this activity is 0181-9999-24-025-L01-P. There is no charge to program participants. Pharmacy continuing education credit will be available to all participants who attend and complete a post-program test & evaluation. Credits will be uploaded and viewable on-line at [www.nabp.pharmacy](http://www.nabp.pharmacy) within approximately two weeks following the date of the presentation.
