**THIS CONTINUING EDUCATION PROGRAM
WILL BE PRESENTED ONCE
St. Jude Children's Research Hospital
262 Danny Thomas Place - Memphis, TN 38105**

WHEN: Tuesday, April 1st, 2025, from 1:00 pm – 2:00 pm

**WHERE: Marlo Thomas Center (MTC) – Lecture Hall
and WebEx (link provided in calendar invite)**

Activity Type: Knowledge Based (1 hr./0.1CEU)

Target Audience: Pharmacists

Learning Objectives:

At the end of this session, attendees will be able to:

1. Evaluate the epidemiological trends of select respiratory illnesses in the post-COVID-19 era.
2. Review subtypes, clinical presentations, usually etiology, and antibiotic treatment.
3. Assess clinically relevant resistance patterns, including macrolide resistance for *M. pneumoniae*.
4. Develop an evidence-based approach for management of *M. pneumoniae*, including regimens addressing risk of potentially macrolide-resistant *M. pneumoniae*.

This program is approved for one hour of credit (0.1 CEU). The St. Jude Children's Research Hospital Department of Pharmacy and Pharmaceutical Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. All activities are offered without external financial support or funds. The program number for this activity is 0181-0000-25-008-L01-P. There is no charge to program participants.

Pharmacy continuing education credit will be available to all participants who attend, sign in, and complete a program evaluation and assessment. Credits will be uploaded and viewable on-line at www.napb.net within approximately two weeks following the date of the presentation.
