Mentor:
Cindy Brasher, PharmD, MS, BCSCP
Manager – Pharmacy Compounding
St. Jude Children's Research Hospital

This program is offered by the Department of Pharmacy and Pharmaceutical Sciences

WHEN: **Wednesday November 18, 2026 from 3:00 pm – 4:00 pm**
WHERE: **St. Jude Children's Research Hospital**
ALSAC Tower 2nd Floor – Room C2059
and Teams via this link

Activity Type: Application (1 hour / 0.1 CEU)
Target Audience: Pharmacists & Pharmacy Technicians

Learning Objectives (both audiences):

At the end of this session, attendees will be able to:

1. Explain how information from medication errors is used to improve processes and safety in sterile compounding.
2. Illustrate the expectations for compounding a desensitization protocol.
3. Examine different types of medication preparation alerts and expectations for how to manage.
4. Compare the risks of handling BSL-2 medications and the steps to mitigate those risks.

The St. Jude Children's Research Hospital Department of Pharmacy and Pharmaceutical Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. All activities are offered at no cost to participants and without external financial support. The program number for this activity is **0181-0000-26-040-L07-P; 0181-0000-26-040-L07-T**. There is no charge to program participants. Pharmacy continuing education credit will be available to all participants who attend and complete a post-program test & evaluation. Credits will be uploaded and viewable on-line at nabp.pharmacy within approximately two weeks following the date of the presentation.

For more information, please the St. Jude Pharmacy Education program (pharmedu@stjude.org).
