

Creating, Implementing, and Monitoring Predictive Solutions

Provided by

Speaker: Shannon Dean, MD; Brian Patterson, MD, MPH

Date/Time: 3/23/2023 8:00:00 AM

Location: Marlo Thomas Center Auditorium

Educational Objectives

At the conclusion of this activity, the participant will be able to:

- 1 Gain an understanding of the steps necessary to implement an algorithm-driven informatics initiative
- 2 Discuss the teams and skillsets necessary to move a model forward at each point in its development
- 3 Understand the role of institutional governance in successful predictive solutions
- 4 Discuss the considerations in design of predictive workflows, and their implementation

Credit Designation

St. Jude Children's Research Hospital designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)**[™]. **Physicians should claim only the credit commensurate with the extent of their participation in the activity.**

Accreditation Statement

St. Jude Children's Research Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
