

Hematopoietic Cell Transplantation for Sickle Cell Disease

Provided by

Speaker: Akshay Sharma, MD

Date/Time: 4/6/2023 8:00:00 AM

Location: Marlo Thomas Center Auditorium

Educational Objectives

At the conclusion of this activity, the participant will be able to:

- 1 describe the current landscape of potentially curative therapies for sickle cell disease.
- 2 discuss the different hematopoietic cell transplantation approaches to treat sickle cell disease.
- 3 define the challenges and opportunities for individuals with sickle cell disease as they seek these potentially curative therapies.

Credit Designation

St. Jude Children's Research Hospital designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)[™]**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation Statement

St. Jude Children's Research Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
