

## **Hemophilia Care in LMIC, Challenges Faced and Practical Solutions**

### ***Provided by***

***Speaker:*** Nidhi Bhatt, MD; Ulrike M Reiss, MD; Assad Haffar, MD

***Date/Time:*** 5/16/2024 8:00:00 AM

***Location:*** Marlo Thomas Center Auditorium

### ***Educational Objectives***

At the conclusion of this activity, the participant will be able to:

- 1 Introduce participants to hemophilia.
- 2 Illustrate the history of hemophilia and evolutions of treatment.
- 3 Highlight the major challenges faced by LMICs in addressing the needs of hemophilia patients.
- 4 Identify how to establish a National Hemophilia Care Program that is integrated in the health system and what are the elements of this program.
- 5 Explain how the World Federation of Hemophilia (WFH) is assisting the LMICs to overcome identified challenges including the humanitarian aid donations.
- 6 Give participants an idea about the Key Performance Indicators (KPIs) of the the WFH humanitarian aid donations with examples from the field.
