

Precision Measurement of Childhood Disability

Provided by

Speaker: Joshua Burns, PhD; Gregory T Armstrong, MD

Date/Time: 9/19/2024 8:00:00 AM

Location: Marlo Thomas Center Auditorium

Educational Objectives

At the conclusion of this activity, the participant will be able to:

- 1 Observe Dr. Burns' research path from Sydney to St. Jude in tackling childhood disability
- 2 Determine the most appropriate approach to assessing clinical benefit by designing reliable, sensitive and responsive outcome measures
- 3 Identify effective rehabilitative, surgical and disease-modifying therapies for peripheral neuropathy of childhood based on patient case studies and clinical trials
- 4 Recognize the importance of 'people, place and projects' when operationalizing a new research program, the St. Jude Disability Prevention Program
